LAMPADA DA ESTERNO IP65 E IK05.

Una presenza discreta, una luce decisa: DB9, apparecchio per esterni a parete a mono e biemissione, disponibile con finitura bianca o silver, lo rendono un prodotto dalle performance uniche, in grado di integrarsi perfettamente nelle superfici e di diventare protagonista. Un'anima versatile per un prodotto dalla luce inconfondibile.

DB9 ha un corpo in alluminio pressofuso, un diffusore in vetro satinato, oltre a guarnizioni in silicone e viti interne in acciaio inox che lo rendono ideale per ambienti esterni.

IP65 AND IK05 LUMINAIRE FOR OUTDOORS.

A discreet presence, a defined light: technology and design make DB9, an outdoor luminaire with mono or bi-emission, installable on walls and available with white or silver finishings. DB9 is a product providing unique and unforgettable performances that perfectly integrates itself with the surfaces it is applied to, becoming the main protagonist of that environment. A versatile soul for a product with an unmistakable light.

DB9 has an internal body in die-cast aluminium, a satin-glass diffuser, silicone gaskets and internal inox-steel screws which make it the ideal product for outdoor environments.
