

Q2 220V

Proiettore professionale da binario 220V in alluminio verniciato a polvere: Q2 220V è adatto per installazioni in ambienti interni dotato di sistema con braccio a scomparsa nel corpo e completamente direzionabile. Disponibile in differenti ottiche, intercambiabili senza utilizzo di alcun utensile, combinando al massimo funzionalità e design. Un perfetto design dove l'alimentatore è occultato nel corpo del faretto.

A professional projector in aluminium installable on 220V rail and dust painted: Q2 220V is ideal to be placed in indoor environments. It has a disappearing, adjustable arm which can be hidden within the body. The different and interchangeable lens, which can be easily replaced without any specific items, best combine functionality and design. A perfect design in which the driver remains hidden in the body of the spotlight.
